LipoLume

FOR FACE & BODY

Advanced lipolytic complex that targets localized fat while improving skin elasticity, microcirculation, and cell metabolism — all in one treatment.

Riboflavin

Anti-inflammatory agent

Bromelain

Metabolic enhancer

Lecithin

Fat emulsifier

[Fat reduction + Skin firming]

3-Step Intelligent Mechanism

Lipolysis Activation

(Day 1-3)

Lecithin gently
breaks down
fat cell
membranes

Metabolic Boost

(Day 3-7)

Riboflavin
enhances
fat-to-energy
metabolism

Detox & Drainage

(Day 7-14)

Bromelain
supports
natural
elimination

**Result: Reduced fat volume + Improved
Microcirculation + Glowing, Firm skin.**

Unique Benefits:

| 01 | **Dual-action**

Fat reduction + Skin firming

| 02 | **Natural enzyme-based**

Less irritation and swelling than synthetic PPC

| 03 | **Anti-inflammatory support**

Reduces redness and supports tissue repair.

| 04 | **Enhances skin tone**

Riboflavin's brightening and energizing properties.

| 05 | **Faster visible results**

(within 1-2 sessions) due to improved microcirculation

| 06 | **Improves circulation**

Effectively reducing puffiness and cellulite.

One Formula for Face and Body

Lipolume works seamlessly on both face and body, defining contours and reducing stubborn fat in areas like the double chin and thighs.

Lipolume

Your Shape, Perfectly Defined

TREATMENT AREAS & RECOMMENDED PROTOCOL

Zygomatic fat pad ●
Full Dosage: 4-10 cc
Depth: 2-4 mm

Malar fat pad ●
Full Dosage: 4-10 cc
Depth: 2-4 mm

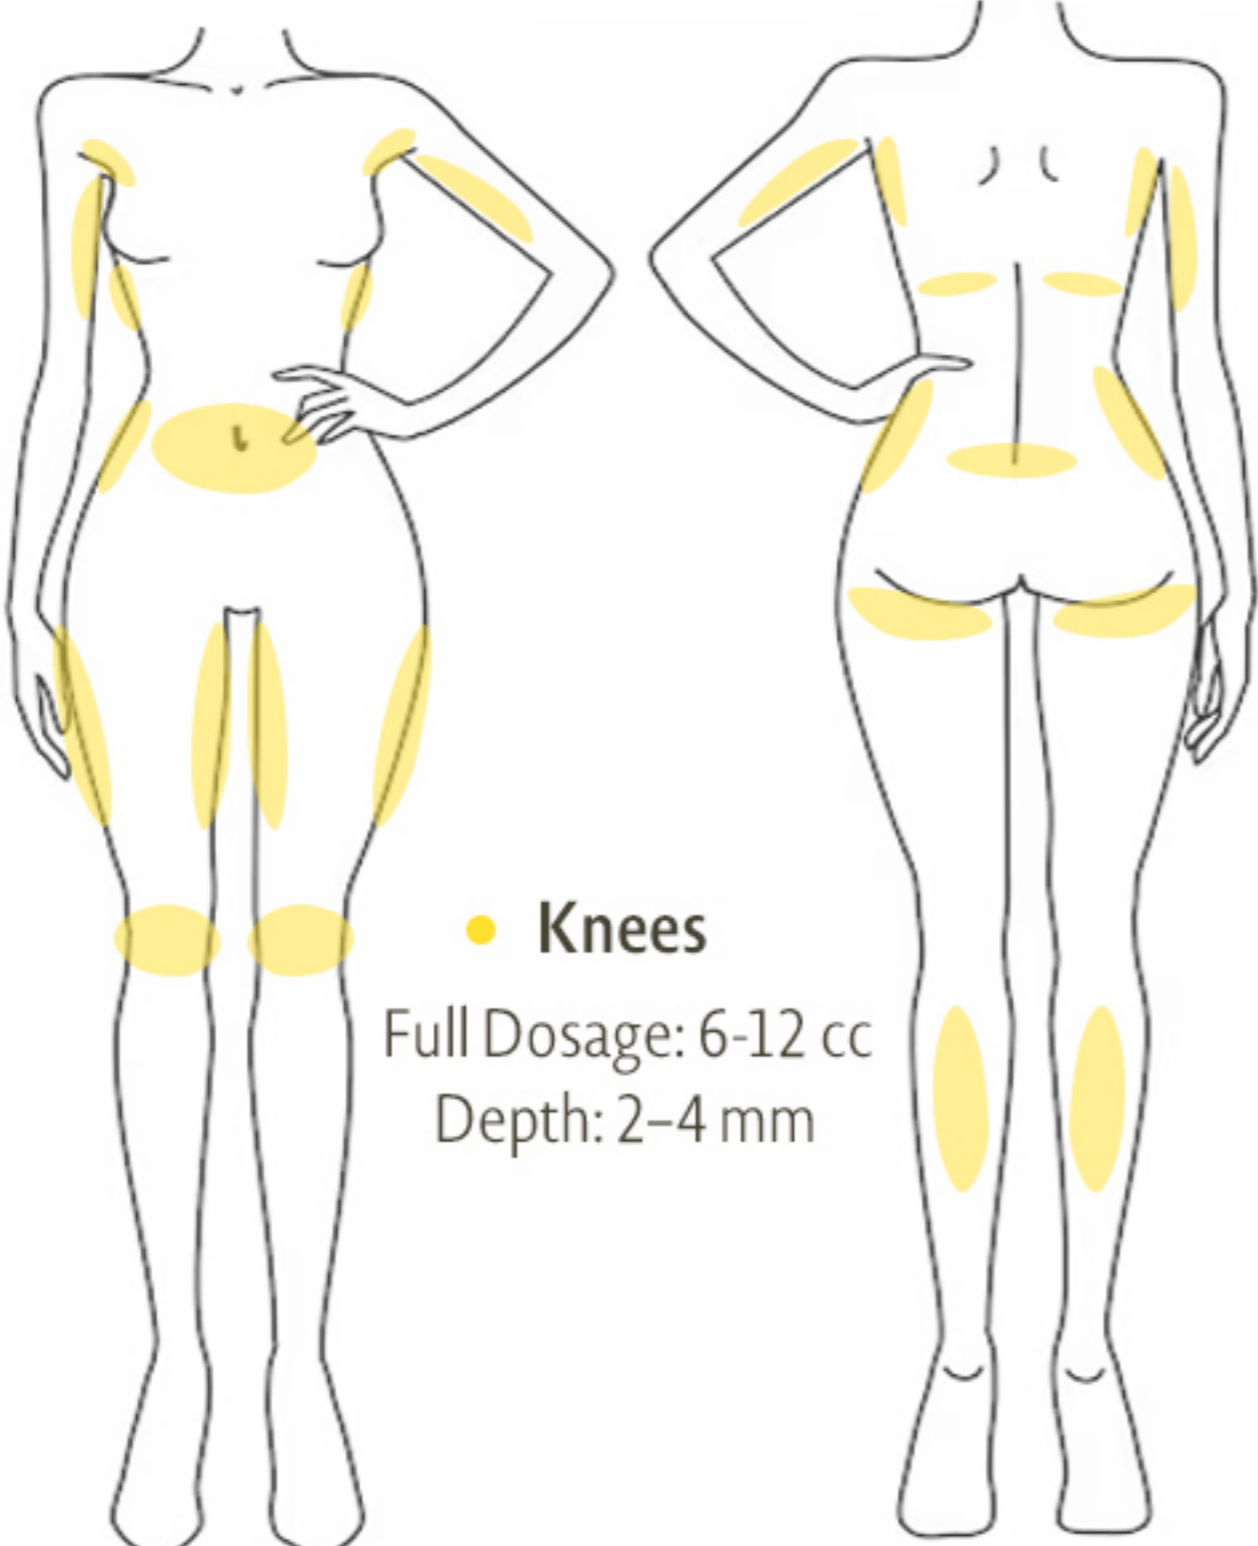

Buccal fat pad ●
Full Dosage: 4-10 cc
Depth: 2-4 mm

Nose contour refinement ●
Full Dosage: 2-5 cc
Depth: 1-2 mm

Jawline contour ●
Full Dosage: 4-10 cc
Depth: 2-4 mm

Double Chin ●
Full Dosage: 4-10 cc
Depth: 2-4 mm

Dosage per point: 0.2 - 0.3 cc (20-25 Points) | Point Interval: 0.5 - 1cm | Needle size (30-32G)

Arms ●
Full Dosage: 20-30 cc
Depth: 6-12 mm

Side/Upper Breast ●
Full Dosage: 20-30 cc
Depth: 6-12 mm

Side/Center Abdomen ●
Full Dosage: 30-50 cc
Depth: 6-12 mm

Inner/Outer Thigh ●
Full Dosage: 10-15 cc
Depth: 6-12 mm

Knees ●
Full Dosage: 6-12 cc
Depth: 2-4 mm

Bra bulge ●
Full Dosage: 10-20 cc
Depth: 6-12 mm

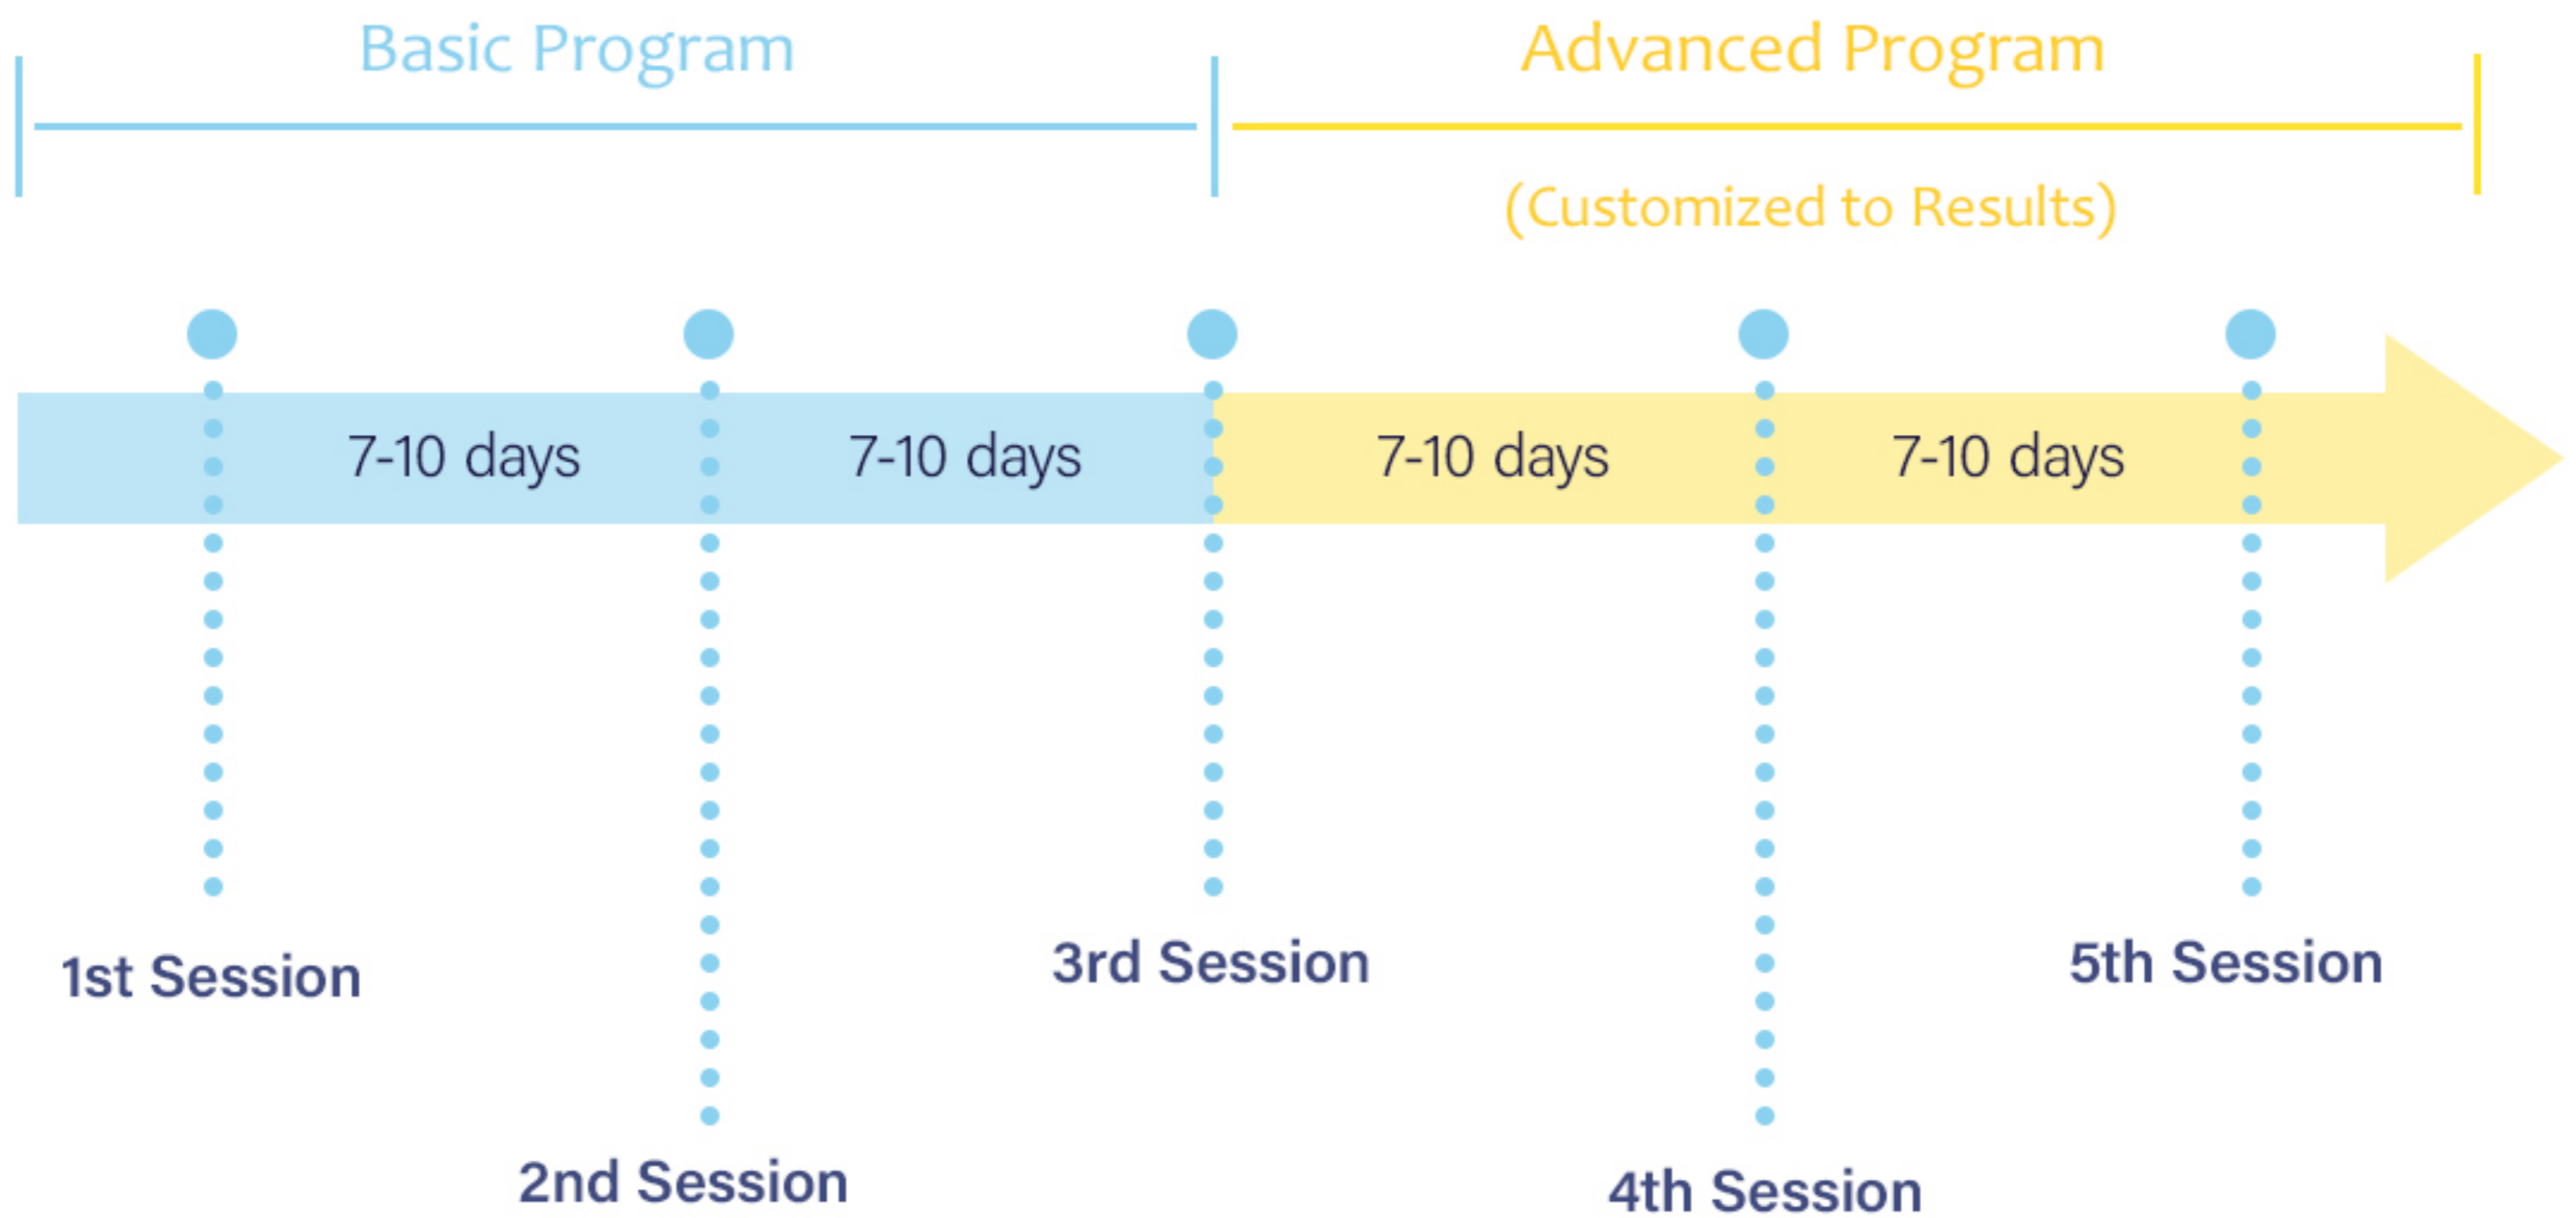

Flanks ●
Full Dosage: 20-30 cc
Depth: 6-12 mm

Upper/Bottom Hips ●
Full Dosage: 10-20 cc
Depth: 6-12 mm

Calves ●
Full Dosage: 10-20 cc
Depth: 6-12 mm

Dosage per point: 1.0 - 2.0 cc (30-70 Points) | Point Interval: 1.5 - 2.0cm | Needle size (27-30G)

Recommended Treatment Schedule:

Activation Phase	Visible Refinement	Contouring Phase	Deep Refinement	Stabilization Phase
<ul style="list-style-type: none"> Begins fat membrane breakdown and microcirculation improvement Light skin tightening and smoother texture 	<ul style="list-style-type: none"> Noticeable fat reduction and improved skin tone Early contour definition appears 	<ul style="list-style-type: none"> Enhanced shaping and more defined facial or body lines Balanced, natural-looking results 	<ul style="list-style-type: none"> Further reduction of stubborn fat Increased firmness and skin smoothness 	<ul style="list-style-type: none"> Long-lasting contour maintenance Skin appears refined, tightened, and lifted Ideal for clients seeking stronger or prolonged effects

Tip: For Enhanced Results

- Lipo Lume works synergistically with Ultrasound Therapy, Cryo-fat Decomposition, and Low-dose DC Therapy to deliver optimal contouring results. Experience faster fat breakdown, smoother skin texture, and more defined lines—visible from the very first sessions.
- Adding 1-2cc of lidocaine per 10cc of solution and less than 1cc of triamcinolone helps minimize discomfort and swelling, ensuring a smoother, more comfortable procedure.

LipoLume

Product Name:

LIPOLUME Lipolytic Solution

Ingredients: Riboflavin (Vitamin B2), Bromelain, Lecithin

Aqua, 1,2-Hexanediol, Lecithin, Bromelain, Papain, Riboflavin, Adenosine, Ananas Sativus (Pineapple) Fruit Extract, Arginine, Ascorbic Acid, Carnitine, Centella Asiatica Extract, Chamomilla Recutita (Matricaria) Extract, Glutathione, Salvia Miltiorrhiza Root Extract, Scutellaria Baicalensis Root Extract, Acetyl Hexapeptide-8, Palmitoyl Pentapeptide-4, Palmitoyl Tetrapeptide-7, Cyanocobalamin, Pentylene Glycol, Sodium Chloride.

Packaging:

10mL x 5 vials per 1 box

Storage & Aftercare:

Storage

- Store at room temperature, away from sunlight.
- Refrigerate after opening and use within 3 days.

After Treatment

Avoid alcohol, smoking, and spicy food for 24–48 hrs. Mild redness or swelling may occur. Keep the area dry for 24 hrs. Results appear in 1–2 weeks; stay hydrated and avoid tight clothes. Gentle massage or light exercise improves results. Sauna after 2–3 days; maintain with healthy diet and stable weight.
