INFORMATION INDEX

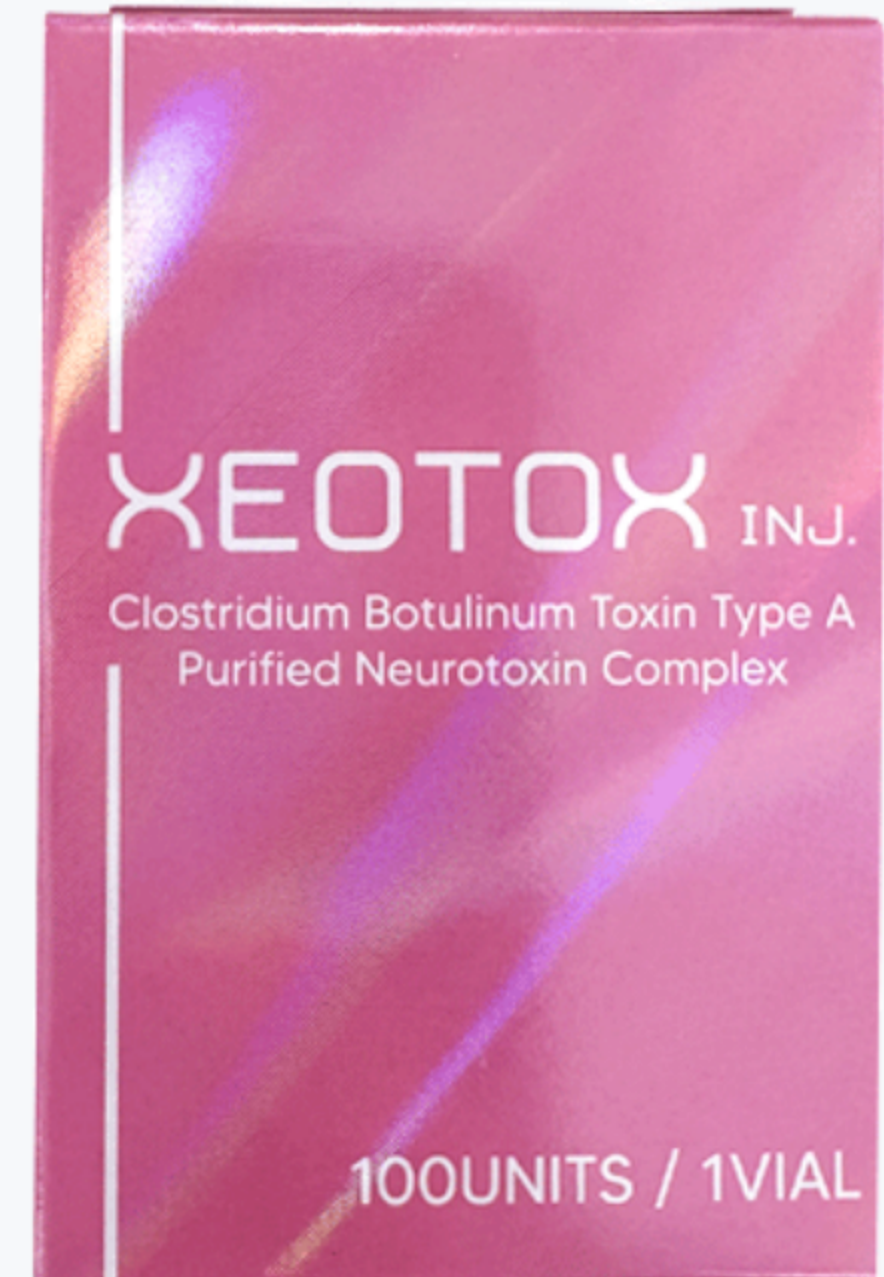

01 General Information

02 Activity Test

03 High Purity

01 General Information

Classification	Medicine
Active Ingredients	Clostridium Botulinum Toxin Type A
Appearance	A white or pale yellow dried product in a colorless, transparent vial that, when dissolved in physiological saline, is a clear and transparent solution.
Dosage	100 units
Assay (Activity test)	87~115%
Molecular weight	900kDa
pH	6.0±0.5
Storage	2~8°C
Expiration	36 months from date of manufacture

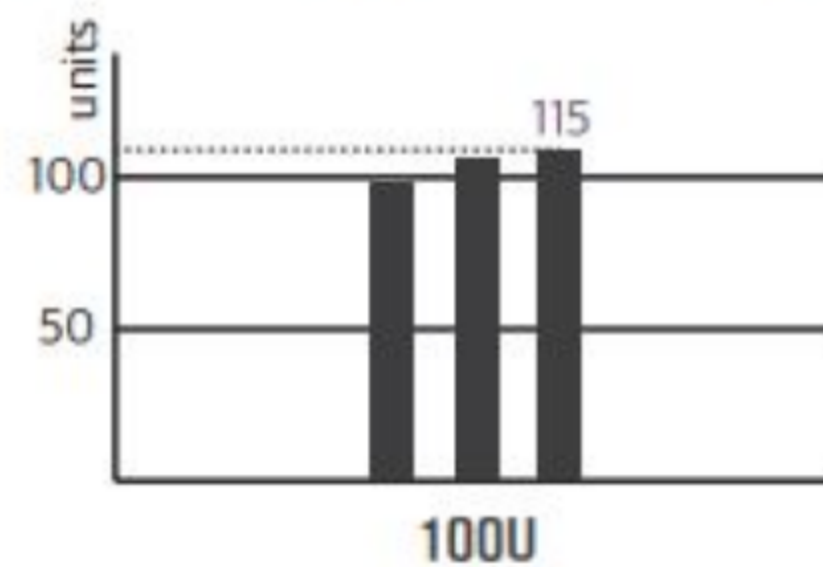

01 Activity Test

ACTIVITY TEST

INTL.

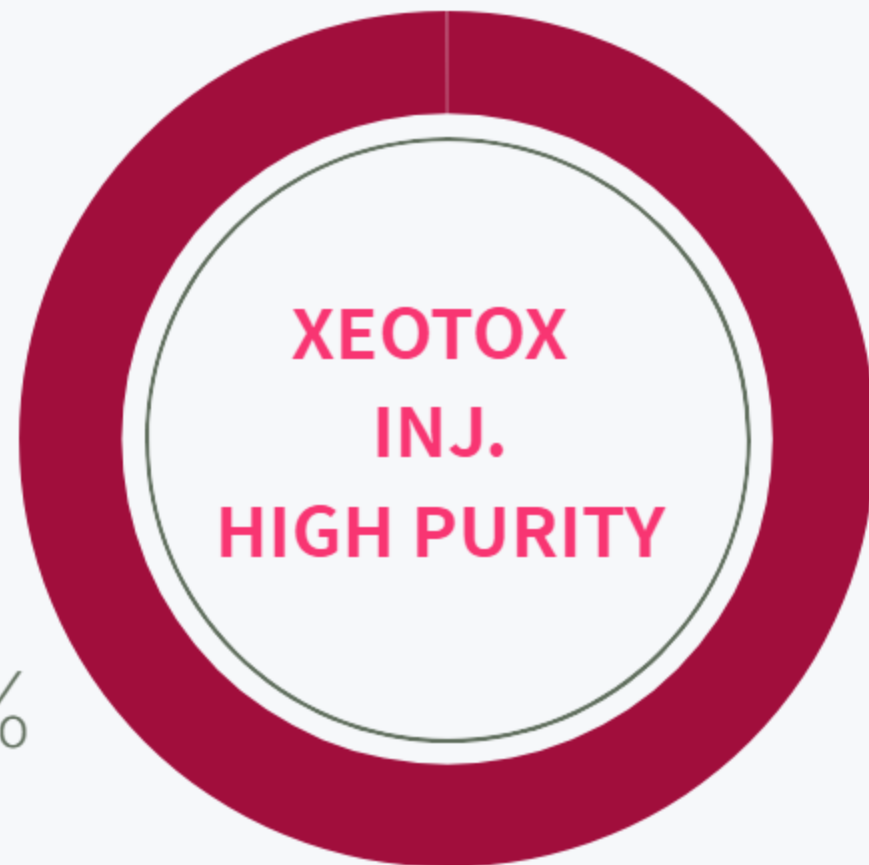

XEOTOX keeps stabilized potency of each vial by its own strict quality control system.

Specifications	MFDS	INTL. SILVERTOX
INTL. SILVERTOX 100U	80 - 125	90 - 115

02 High Purity

99.98%

HIGH PURITY

INJ.

XEOTOX is botulinum toxin with high purity.

Purity Test		
Product Name	: WIZTOX inj. 100Units (Clostridium Botulinum Toxin Type A)(for export)	
Lot No.	: WT21013	
Manufacturing Date	: Jan, 18, 2021	
Expiry Date	: Jan, 17, 2024	
제조번호	원액 순도시험 기준	시험결과
WT21003	1) SEC-HPLC: 클로스트리디움 보툴리눔 독소 A형 복합체는 총 시료 중 독소단백질 ≥ 95.00 %	99.98%
	2) UV-Nucleic acid: OD _{260/278nm} ≤ 0.6	0.50

****Purity by Size Exclusion Chromatography High Performance Liquid Chromatography(SEC-HPLC)**

Using Size Exclusion Chromatography High performance liquid chromatography(SEC-HPLC), undiluted toxin complex solution was analyzed which resulted in purity of over **99%**.

Inner Beauty, 필요가 아니라 **필수**입니다
